

Clifford Bridge After-School Clubs

(Autumn Term 2023)

Dear Parents and Guardians,

Welcome to a brand-new year of clubs at Clifford Bridge. There are many different and exciting clubs on offer this term. We will be signing up for clubs online via ParentPay using the new CLUBS module. If you do not have a login, please speak to the office as soon as possible.

On 12th September 2023 @ 8am we will go live with signing up for clubs via ParentPay. Places for clubs will be capped and will work on a computer managed first come first served basis.

On the reverse of this letter you will find the details of the clubs on offer and if the sign up follows the traditional letter method too.

We thank you for your continued support and feedback. We look forward to another successful sporting year.

Mr Towe

Musical Theatre

Musical Theatre club will be led by Bethany from Step Onto Stage. This is the perfect club for any child who has a particular passion for music and has an ambition to potentially one day perform on stage in some capacity. They will develop their confidence and knowledge of musical theatre and it's the chance to step into the limelight.

Yr 5/6 Girls football with Mr Towe

This club is about developing the pupil's football knowledge, which includes rules, tactics and basic skills. Our primary aim for this club is for the pupils to enjoy their football, whilst learning new skills.

Athletics with CSB Year 4/5/6

This term we will be bringing Athletics to Clifford which will be led by Cov Sky Blues this term. Athletics consists of a number of different track and field events including: the running events, javelin throw, long jump, speed bounce and many more exciting activities.

Hockey Yr 3/4 with Cov Sky Blues

Hockey returns to Clifford Bridge!! CSB will be leading this club for this term. Hockey is a fantastic sport particularly when wanting to improve hand-eye coordination skills,

Yr2/3/4/5/6 Football with Mark

Morgan

Football with Mark Morgan is fun and engaging. Mark offers the opportunity for children to develop a passion for football and works on the fundamental skills. The kids will be having fun while learning basic skills in football, teamwork and building on each child's own natural

close control and accuracy which contributes towards trying to score a goal or pass to a teammate.

Gymnastics with SOTS

This fabulous club will be led by Bethany who is a teacher at Step onto Stage. This is an exciting opportunity for those children who love to express themselves to really give it their all and present a fantastic performance of themselves through gymnastics.

Dodgeball Yr 1/2/3 with Cov Sky Blues

Dodgeball is a fun and exciting team-based game which will be led by Cov Sky Blues for the Autumn Term. The children will develop throwing, catching and agility skills as well as learning how to work together as a team.

Footgolf Yr 3/4 with Cov Sky Blues

Footgolf returns for the summer term and will be led by Cov Sky Blues! Footgolf is an exciting club that all children can enjoy particularly if your child is fan of both football and golf, this club will be perfect for them and develops so many key skills revolving around coordination, accuracy and control.

Orienteering with CSB Year 4/5/6 Arts and crafts Yr 5/6 with Mr Towe and Craft Club Yr 2/3/4 with Mrs Tarka

Mr Towe will be leading this exciting club for the very first time at Clifford this term!! This club consists of participants being allowed to let their imagination run wild! Each week will be different they may be building a tower one week then sketching a self-portrait the next, making and creating is the main aim and objective for this club but one thing is guaranteed it will be very fun!!

Netball YR 4/5/6 with Miss Gudger

Netball club is back!!! This club will be led by our very own Miss Gudger and is a fantastic opportunity for children to learn and develop their skills of the game, which includes understanding more about rules, tactics and basic skills. Most importantly, it is a place where the pupils can simply enjoy playing and develop their love for netball with their peers.

Well-Being Club YR 3/4 with Miss Forsythe

This brand-new club, which is being led by our very own Miss Forsythe, is an incredible opportunity for children from Year 3 and 4 to be apart of a group that will be able to express themselves, use their imagination and creativity with the aim being to boost and support the children's well-being. The children participating in this club will have the opportunity to communicate and socialise initially with each other which will then lead to the children being able to choose themselves which activity they would like to do for each week. The activities could range from art, crafts, PE/ Sports games inside or outside, board games and many many more!!

Intro to sports YR 1/2/3 with Mr Towe

This is a new club coming to Clifford Bridge this year led by Mr Towe. This club is for our younger children in school as an introduction and preparation for the sports they will learn about as they progress through school. This will allow the children to get an early insight and gain those key basic skills needed to perform any sport. They will each week take part in a different sport like football, netball, basketball, cricket, rounders, tennis and many more!!
